

Welcome to our 2021  
**FREE FESTIVE  
QUIZ**

We've put together a  
selection of questions  
from different rounds  
for you to enjoy!

Gather everyone round the screen  
and take part individually, in  
different teams, or as one big team!

We'll be back quizzing in pubs from  
Tuesday 4th January, and keep an eye  
on us at [goosesquizzes.twitch.tv](https://www.twitch.tv/goosesquizzes) to see  
what we have on offer online over the  
festive period. So, bone up on your  
knowledge of 2021 and get involved!

Thank you to everyone who  
has been involved with us  
over these past 12 months;  
wether its been the in-person  
quiz nights, Twitch quizzes,  
private events, fundraisers,  
or in any other way. It's been  
a weird year, but you've all  
kept us going so thank you  
for the support!

## ROUND 1 - Over-Thesaurused Lyrics

We've taken some lyrics from famous Christmas songs and run them through our patented

**GOOSE'S QUIZZES OVER-THESAURUSED  
MACHINE™**

which has made them a lot more complicated than before...

**Can you work out the titles of the songs our carolling geese are singing?**

1. *They have automobiles vast as saloons,  
They have brooks of bullion,  
Alas the squall travels within you,  
Not a habitation for the pensioners*

**ROUND 1 - Over-Thesaurused Lyrics**

**2.** Are you anticipating the genus to disembark?  
Are you positive you have the chamber free internally?  
Does your grandmother eternally disclose that antiquated refrains are unsurpassed?

**ROUND 1 - Over-Thesaurused Lyrics**

**3.** Complete absence of visible sunlight and vibrations that reach your ear, the time from dusk to dawn dedicated or consecrated to God.  
Literally everything is chill.  
Literally everyone is super smart.

**ROUND 1 - Over-Thesourced Lyrics**

4. Precipitation is proceeding  
Everywhere in my vicinity  
Offspring are procrastinating  
Partaking in buffoonery

ROUND 1 - Over-Thesaurused Lyrics

**5.** *It is unconditional that there was an unspecified amount of sorcery in the discovered elderly head adornment made of a protein fiber produced by worms. Since during the time it was positioned anatomically superior, a jig commenced.*
